(trumpeters-Joel Finlinson, Brandon Christensen, Forest Turner)
Introduction: Hannah Burt
-*Pirates of the Caribbean* (Arr. By Ted Ricketts)

Madeline "Maddy" Collins has been studying classical voice since the age of 14 under the direction of Carol Ann Modesitt at SUU. Madeline has competed at both high school and collegiate levels, consistently placing in the top three in Classical Voice and Musical Theater. She has entertained our community as a soloist in "Messiah." She was the 2018 Sterling Scholar for South Sevier High School and is currently studying Elementary Education at SUU.

James Cavan started playing the trumpet in 4th grade and has been heavily involved in music ever since. Through high school he was a member of the Las Vegas Youth symphony, several All-State Bands, and the Blue Knights Drum Corp. He studied music at BYU where he was a member of the "Pride of the Cougars Marching Band" as well as the pep band. He has taught music at South Sevier High School for 12 years where he has qualified many choirs, bands, and percussion ensembles for state. In 2016, he earned his masters degree in conducting from Sam Houston State University. He has also been awarded a UEA Educator of the Year Award. He has conducted the Sevier Valley Symphony for 8 years and considers it one of his highest honors to be able to work with such a passionate, talented and encouraging ensemble.

Nonie Gay attended SUU where she met and married Cameron. They are the proud parents of six children. Nonie started the Sevier Children's Choir seven years ago to give her daughter and friends the opportunity to sing. She has loved teaching children the joy of singing and performing ever since. Besides the love of singing, she also enjoys teaching dance and participating in local theater.

**Thank you for your attendance and supporting our local
"Strings and Beautiful Things."**
